These works include the upgrade of the existing signalised crossing; new footway paving and carriageway resurfacing works. The works will be substantially completed in four weeks - barring unforeseen circumstances. The crossing upgrade works will be carried out with signing and barriers for up to 2 weeks and the carriageway resurfacing works will be carried out under temporary signals for up to 2 weeks.

Whilst we will try to minimise any disturbance, we believe that any short-term inconvenience will be outweighed by the long-term improvements to the area. Therefore, may I take this opportunity to apologise in advance for any disruption and thank you for your co-operation.
